

## 270 Outrage®

From its low-profile bow rail to its integral boarding platform, the 270 Outrage incorporates sleek lines plus a host of fishing-friendly features and comfort options. This remarkable boat includes three in-deck insulated storage / fishboxes, a lockable console (including an enclosed portable head with pump-out and freshwater sink), locking bow rod storage and a lighted 23-gallon transom livewell with raw-water fill. There's a total of 10 rod racks and 13 rod holders located throughout the boat. The 334-quart in-deck bow storage compartment features a drain and a pump-out so it can double as a third insulated fishbox. The leaning post features two rod holders, a well-equipped bait prep station and a stainless steel grab rail, with a 94-quart cooler below. Versatile seating includes two bow bench seats with standard removable cushions; a leaning post with a removable backrest, folding footrest and twin hinging seat bases for convenient storage access; a molded seat in front of the console; and a convenient stern bench seat that folds into the transom.
